Work experience

Hairdresser assistant

Beauty center Meri

 | 

28/06/2021 – Current | Split, Croatia

Working as a hairdresser assistant helped me develop new skills and perfect what I already knew. It also made my communication and language skills better because all types of people come to the hairdresser salon.

Hairdresser assistant

Split Fashion Show

 | 

10/12/2021 – 11/12/2021 | Split, Croatia

Working at a fashion show was a whole new experience for me, it helped me work under pressure and see so many different and new hairstyles being done.

Volunteering

Obrtnička škola

 | 

10/03/2022 – 10/03/2022 | Split, Croatia

My school went to a retirement home to do volunteering by cutting and styling their hair. Plenty of older people there wanted perms so I got pretty good at doing them. It also taught me how to properly communicate with older people in a professional matter. Moreover, working with my teachers and colleagues made me used to working as a team and it was also really fun.

Hairdresser assistant

01/09/2019 – 10/08/2022 | Croatia

 | 

As a student I was involved in many school projects, events and competitions. At my school's *New Wave* competition I even won first place.

Additional information 

Field of study : **Hair and beauty services**

Final grade: **4**

Main subject / occupational skills covered:

I work with clients' hair to perform a variety of tasks, including cutting, coloring, and applying hair care treatments. Through my education I have also learned to:

- Assess the condition of the hair according to the type of service
- Wash hair according to the appropriate type of service
- Select appropriate hair color and tone
- Distinguish techniques and types of haircuts
- Style the hair with a blow dryer
- Make simple braid
- Properly section hair before cutting
- Create a hairdo on a male model
- Learn the techniques of applying hair dye and bleach
- Learn how to mix hair dyes on my own
- Learn the skill of using foil and combs
- Even out the hair using scissors
- Learn how to create layers.
